NOTICE

Of Meeting of the County Board of
Equalization.
Office of County Clerk,
Beaver, O. T.,
May 17, 1895.
Notice is hereby given that the Board
of county commissioners will meet at
the county seat of Beaver county, on
the first Monday in June, 1895, to sit
as a Board of Equalization. All par-
ties interested please take notice.
DYKE BALLINGER,
County Clerk.

A pleasant surprise was tendered the
ladies of the W. R. C. by the members
of the G. A. R. on last Saturday after-
noon, just at the adjournment of the
regular meeting, when a committee from
the Post requested the ladies to proceed
at once to the Haven building where
they would meet the Post and transact
important business. Upon arriving at
the appointed place the members were
addressed by Comrade Griggs, of Meade,
after which an inner door was thrown
open displaying tables loaded with ice-
cream, lemonade and cake, to which
the ladies were conducted and to say
that they enjoyed it is expressing it
mildly.

The ball at Litley's hall Thursday
night was a grand success. A great
many were in attendance from a distance
among whom we noticed the following:
Messrs. Twist, Wehrle, Stamper, and
Misses Osgood and Wiley of Meade;
Misses Winnie and Minnie McMain,
A. R. Henderson, Messrs. McMain and
Hutchinson of Buffalo; Messrs. Baker,
Burrows and Shawhan from the extreme
west end of the county; Mrs. Jas. Henson
Hansford, Texas; Messrs. J. Shriver
and H. E. Craig, Liberal, Ks.; Misses
Clara and Hattie Rhodes, Mrs. Murphy
and Messrs. Rhodes, and Martin, from
the Cimarron; H. E. G. Putman, Grand
Valley; L. Ewing, Caple; Bernard Lum-
bert, Sharps Creek.

On Sunday morning one week ago,
T. J. Weeden, of Elmwood, received a
shock that he will not soon forget. He
was sitting reading the newspaper when
his wife called his attention to the fact
that their little one-year old child had
wandered from her sight. A little girl
who was sent in search of the missing
one was soon heard to scream, and when
Mr. Weeden looked out he saw a large
snake, coiled up almost in the child's lap,
head erect and looking squarely into the
face of the child. He made a quick
run, as you may imagine, seized the
child by the shoulder and freed it from
danger. The snake made a loud hissing
noise just as he caught the child as if
angry at the interruption. Tom tried to
cut its head off with a light garden hoe
but his side was too tough for that so he
seized an ax and dispatched it. The
snake measured 5 ft. 7 in. and is known
as a bull-snake.

ocrats were doing in congress. "Oh,"
replied the reader, "they're playing the

Stock Brands.

Every man with 50 head of cattle or
upward should advertise his brand in
this paper, and thus within a month,
perhaps, register a stock which has been
missing for weeks, and which he has
given up as lost. Our circulation
throughout this section is wide and
steadily increasing, and your brand re-
sults in these columns will become fa-
miliar to the stockmen and settlers of
the southwest, largely increasing your
chances of regaining strayed or stolen
stock. Send in your orders.

BEST DINING CAR SERVICE IN THE WORLD.
The Rock Island is foremost in adopt-
ing any advantage calculated to im-
prove speed and give that luxury, safety
and comfort that popular patronage de-
mands. Its equipment is the thorough-
complete with vestibuled trains, man-
ificent dining cars, sleepers and chair
couches, all the most elegant, and of
recently improved patterns.
Faithful and capable management
and polite, honest service from em-
ployees are important items. They are
a double duty—to the Company and to
travelers—and it is sometimes a task
difficult of accomplishment. Passen-
gers on this line will find little cause
for complaint on that ground.

REMEMBER
The Great Rock Island Route runs all
regular trains to Englewood, suburba-
station, close to World's Fair grounds,
and you can save time and trouble by
getting off at that point and avoid the
crowd in the city.
